

History Major Checklist (33 credits)

DEPARTMENT CHAIR: Dr. Robert Blackman, Maples 001, (434) 223-6957

Please note that departmental contact is strongly recommended to further aid your academic planning. Irregularities in offerings do occur as a result of sabbaticals and medical leaves.

Students are encouraged to develop individualized majors in consultation with a member of the department. Such a major would give a student a thorough foundation in history while offering him the opportunity to pursue topics of interest in related disciplines. Special topics are offered in History 485 and 490 for students with a 3.0 grade point average or by special permission of the department.

No more than 6 credits from the 100-level and 18 credits (including HIST 299) from the 200-level can be applied toward the major. At least 9 hours must be taken at the 300-400 level (including HIST 499).
