About the SurgeryPlus Benefit

SurgeryPlus is a free surgical benefit offered for planned surgeries, providing quality care and all-inclusive member service at a lower cost. The SurgeryPlus benefit is available to medical plan members.

SurgeryPlus provides access to 1,500+ surgical procedures in specific categories, such as Spine; General Surgery; Genitourinary; Orthopedic; Ear, Nose & Throat; Cardiac; Gastrointestinal; and Injections.

Procedures covered are hernia repair, hysterectomy, colonoscopy, tendon release, spine injections and fusions, knee replacements and many more.

Important Information
SurgeryPlus Member ID Cards are coming in the mail, keep an eye out for them.

What are the Benefits of SurgeryPlus?

All-Inclusive Support
You are assigned a dedicated Care Advocate to help you navigate the surgical process.

- The SurgeryPlus team will hand-select three surgeons for you to evaluate and choose from.
- Your dedicated team of Care Advocates will provide personalized support and coordinate everything, including travel if needed.

High-Quality Care
You have access to highly qualified and carefully selected surgeons across the country.

Our standards of excellence include:

- Board Certification
- Speciality Training Requirement
- Continuing Education
- Surgeon-to-Surgeon Reviews
- State Sanctions Check
- Medical Malpractice Claims Review
- Background Review
- Quality Scores
- Monthly Network Monitoring

Lower Cost
SurgeryPlus can help save you money on your procedure.

- If you are on one of VPCBC's PPO Plans, your surgery is free. If you are on one of VPCBC's HDHP Plans, your coinsurance is waived and you will pay the remainder of your deductible that is collected prior to your procedure.
- Travel assistance for you and a companion, if needed
- No bills, post-procedure

When to call SurgeryPlus?

- If you have a question about the benefit
- When you need to see a specialist
- It's time for a planned surgical procedure
