____ Elective _____

This elective must be chosen from the previous pairs or GVFA 233, Economics 213, Psychology 319, Rhetoric 210, Philosophy 201, or Philosophy 314.

Important information for minors:

- Students are encouraged to become involved in the Pre-Law Society (PLS) and to establish contact with the Pre-Law Advisor (currently Dr. Celia Carroll-Jones).
- Minors interested in Law School should consider taking additional electives from those listed above and also consider ENGL 380, GVFA 310, RHET 301, and RHET 310.
- Minors are encouraged to attend programming offerings through the Wilson Center for Leadership in the Public Interest and take advantage of Student Government and Student Court opportunities based on their areas of interest.
- LSAT scores are the single most important piece of data reviewed by law schools when enrolling students. It is therefore important that students prepare *early* in their college careers for that exam.
- Every semester, H-SC faculty, working with Pre-Law Society, offer *free* LSAT preparation for our students. These workshops review important skills such as critical reading, logic, and test-taking strategies.
- The Ferguson Career Center offers practice LSAT tests and help with résumé preparation.

UNOFFICIAL FORM—OFFICE OF ACADEMIC SUCCESS.

Successful completion of the above items does not alone guarantee that graduation requirements have been met. Please see advisor.
